

# BLOWING BUBBLES TO MAKE ART

## MATERIALS

- 1 Tablespoon Dish Soap
- 3 Tablespoons Water
- Water Soluble Food Coloring (10 drops)
- Straws
- Cups w 3TBS of water in each
- Cardstock [computer paper will work as well]

1. Mix the water and soap with the food coloring.
2. Blow into the solution until bubbles form.

3. Gently lay your cardstock over the bubbles. As the bubbles pop they will leave an imprint on the paper.

4. Repeat the process until your page is covered.
