Blast from the Past Yearbooks

We are trying to clear out some of the old yearbooks that we have in stock. If you used to go to Farwell or have a sibling, husband/wife, parent, cousin, or anyone that went to school in Farwell and were wondering how to get an older copy of a yearbook...Here is your chance. Here is a list of all the yearbooks we have in stock. There are some years that have quite a few, and some years that have none, but we have a pretty good stock. Prices will vary according to year.
