Farwell Independent School District received its 2022 State Accountability Rating and Distinctions. All three campuses received either a rating of an A or B, along with several Distinction Designations. As the required standards for students have steadily increased, the campuses have continued impressive gains on the performance index reports related to student success.

Farwell Elementary earned three Distinction Designations in Mathematics, Science, and postsecondary readiness. These distinctions were given to the top 25% of schools in our Campus Comparison Group, which is school groupings that compare similar schools in respect to size and demographics. The campus received an overall rating of a “B” earning 88 out of a possible 100 points.

Farwell Junior High School earned 4 Distinction Designations and was rated as an “A” campus rating earning 90 out of a possible 100 points. Included in these Distinctions were ELA, Mathematics, Comparative Academic Growth, and Postsecondary Readiness. Farwell Junior High earned its way into the top two schools in Comparative Academic Growth.

Farwell High School earned one Distinction Designation in Social Studies and was rated as a “B” campus earning 80 out of a possible 100 points. Farwell High School students are above state average in student performance and raised its performance in each category.

Farwell ISD earned a “B” rating earning 89 out of a possible 100 points.
