

Course: 2nd Grade Writing

Instructor: Vanessa Anglin

Instructional Plan

Course Content Description Template

Provide a brief overview of the course content, including key topics and themes covered throughout the course.

With this course, we will take the opportunity to develop our writing through the use of foundational skills including digraphs, phonemes, morphemes, and developing vocabulary to support these skills. We will develop our language skills and ensure that we work on recognizing how words can be formed in multiple ways.

Major Assignments and Projects Template

List the major assignments and projects for the course, including their purpose and any relevant deadlines or evaluation criteria.

The assignments we will incorporate within this course includes using writing in a variety of forms including journaling, vocabulary, word development, note taking, summarization, and to support reading assignments. The major assignments this course will focus on includes spelling tests, workbook practice, and developing support around the understanding of words including context and word origins. The content will be differentiated based on each student's needs and we will work towards building these skills. With each assignment, there will be an emphasis on the student's understanding of the prompt as well as correcting and learning from mistakes made.

Required Textbooks and Instructional Materials Template

List the textbooks and other instructional materials required for the course, including authors, publication dates, and any additional resources needed for successful completion.

The required textbook for this course is called **ReallyGreatReading** and there will be additional tools utilized in order to build these skills.
