

Course: 2nd Grade ELAR (2nd semester)

Instructor: Roseann Garcia

Instructional Plan

Course Content Description Template

Provide a brief overview of the course content, including key topics and themes covered throughout the course.

This course will use a flexible range of metacognitive reading skills in both assigned and independent reading to understand an author's message. Students will continue to apply earlier standards with greater depth in increasingly more complex texts as they become self-directed, critical thinkers. Students will use comprehension skills to listen attentively to others in formal and informal settings. Students will understand how English is written and printed and are expected to distinguish features of a sentence. Students will use elements of the writing process to compose text.
