Texas Culture and Celebrations  
Work  
Economic Choices  
Producers and Consumers  
How are Goods Produced?  
Sequencing and Chronology  
Communication  
Transportation  
Recreation  
Individualism and Inventiveness

**Major Assignments and Projects Template**

List the major assignments and projects for the course, including their purpose and any relevant deadlines or evaluation criteria.

Throughout this course, students will engage in a variety of assignments, activities, and exams. These activities will include whole class, group work, partner work, and individual knowledge checks. Each week a student has a newspaper through Studies Weekly that we follow along with and read one article a day. They will have an activity to complete that aligns with the article.

**Required Textbooks and Instructional Materials Template**

List the textbooks and other instructional materials required for the course, including authors, publication dates, and any additional resources needed for successful completion.

Students will use a variety of instructional materials to support their learning throughout the course that will be provided by the school. These resources include:

- Studies Weekly Newspaper
- Studies weekly online resources and modules
- Studies weekly activities, graphic organizers, and worksheets
- Interactive notebook to write down vocabulary, notes, and activities
