### Major Assignments and Projects Template

List the major assignments and projects for the course, including their purpose and any relevant deadlines or evaluation criteria.

Projects:

There are no projects this semester. I use this Semester to focus on reviewing for STAAR. I will also have quizzes that the students have taken in the first semester but they will just be retaking them.

Movies:

Remember the Titans- This movie is done directly after the STAAR test. We do this right after the Staar test to have a little break. We finished up the content with civil war so desegregation is fitting.

**Required Textbooks and Instructional Materials Template**

List the textbooks and other instructional materials required for the course, including authors, publication dates, and any additional resources needed for successful completion.

**Instructional Materials:**

Lone Star/Teacher-made- This is where our curriculum is from. This includes notes, flashcards, powerpoints, tests, etc...

Youtube- I occasionally use youtube videos to help further explain a topic or point.

Textbook- MCGRAW HILL- Will occasionally use textbook for vocabulary and other things

Websites- Blooket, Gimkit, Quizlets- quill use these websites mostly for reviewing and review games.
