

Course: 8th Grade Health

Instructor: Victor Crume

Instructional Plan

Course Content Description Template

Provide a brief overview of the course content, including key topics and themes covered throughout the course.

This course will teach students how to deal with different aspects of health. It will cover topics on Effects of Tobacco, Alcohol and Other Drugs, Nutrition and Physical Activity, and Building Character and Bullying Prevention.

Major Assignments and Projects Template

List the major assignments and projects for the course, including their purpose and any relevant deadlines or evaluation criteria.

Students will have 2 tests per 6 - weeks. They will have projects and assignments relating to each of the three content areas mentioned above.

Required Textbooks and Instructional Materials Template

List the textbooks and other instructional materials required for the course, including authors, publication dates, and any additional resources needed for successful completion.

This class will utilize the three Glencoe Teen Health textbooks by McGraw Hill Education. We will also use Farwell Junior High approved websites for supplemental learning, such as Edpuzzle, Wayground and Youtube (educational).
