

Legends in Blue Band Boosters August Newsletter

Welcome!

We would like to begin by welcoming all of the 8th grade parents and students. We are looking forward to a fantastic year with 106 band members! That is absolutely amazing.

There will be many opportunities to help and support these students this year, starting with marching season. The band is lucky enough to have the concession stand at football games which will require volunteers in the upcoming football season.

The band booster is headed by a board of members that have been voted in; this year our President is Isabel Torres followed by our Vice President Paul Fisher. Our Secretary is Adreanna Macias and our Treasurer is Jenny Fisher. We also have our band director Mr. Benjamin Rainey and our Assistant director Mrs. Rebekah Jimenez.
