

What is Title I

Title I is a federal assistance program designed to meet the needs of ALL students at FES.

All students at FES are Title I students and all teachers are Title I teachers. The most recent law that directs Title I is the Every Student Succeeds Act (ESSA).

What is the Law?

The purpose of Title I is to enhance opportunities for students to meet and maintain grade level skills (TEKS-Texas Essential Knowledge and Skills). The law requires:

- School districts have a written policy regarding parent involvement.
- Parents be involved in the design, operation and evaluation of Title I.
- Parents be consulted about home/school activities and be informed on how to help their children.
- Whenever possible, activities should be presented in the language spoken by the majority of Title I parents.

FES Title I Parent and Family Engagement

The purpose of parental involvement is to promote a school/home partnership that will help all students on any campus succeed. Our goal is to provide opportunity training and information for parents that will help them assume a more meaningful role in improving student achievement and increase effectiveness when participating in the planning and evaluation of Title I programs.

Parents are welcome to set up meetings with teachers during their conference periods throughout the year if necessary by contacting the campus secretary. (806-481-9131)

The school solicits parent input through a variety of means. Parents are encouraged to contact their child's campus and to be actively involved in the instructional process, such as volunteering or serving on committees. Progress reports, parent conferences with teachers, newspaper articles, and the district website promote open communication and encourage parental participation.

Parent and Family Engagement

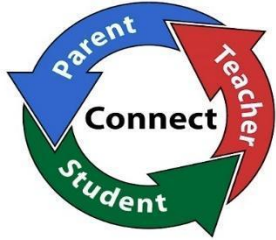

Farwell Elementary

2024-2025

“The mission of Farwell ISD is to provide quality instruction to all students so they will develop into responsible, adaptable, contributing citizens with caring attitudes. The district is responsible for helping all students achieve their fullest potential since all students can learn. With this in mind, an objective-based curriculum continuum is utilized at all levels. It will include the faculty for ongoing evaluation and change in order to meet the evolving needs of students.”

FES Parent and Family Engagement

Effective schools are a result of families and school staff working together for each child's success in school. A learning compact is an agreement among groups towards this goal. This is your invitation to be involved in your child's school.
