Ed-VANTAGE Statement:

Ed-VANTAGE Partnership: Employees from our district who enroll in any graduate education program or certification (Superintendent certification, Principal certification, Educational Leadership, Curriculum & Instruction, Master of Arts in Teaching, Special Education, SpEd Dyslexia, SpEd Diagnostician, or School Counseling) are to receive a 10% tuition discount before scholarships are applied. A \$2,000 scholarship (\$1,000 for the first two semesters with 6-hour enrollment) is also applied. This is effective with the upcoming Summer 2024 semester and applies to current students and newly enrolling students from these districts.
